

## Transferring Money at the Service Terminal

- 1 Touch the **display** of the terminal.
- 2 Press “**Überweisung**”.
- 3 Put your card, with **the chip facing the front**, into the terminal.
- 4 Enter the details of the recipient in the **input screen**.
- 5 **Check** the details and then confirm them.
- 6 Enter your PIN to **approve** the transfer.
- 7 A **receipt** for the transaction is available on request.
- 8 Press “**Kartenausgabe**” and remove your card.
